ON THE NATIONAL MAP

PROPERTY KEY HIGHLIGHTS

NOT JUST A MARKET. A HIGHWAY LANDMARK.

HIGHWAY-FRONT VISIBILITY

Walk Way sits directly on the Kashipur-Jaspur main road — a high-traffic inter-city highway that sees a constant stream of commuters, travellers, truckers, and tourists round the clock, every day of the year. Your shopfront is never off-duty.

PERFECT HIGHWAY PIT STOP

Walk Way sits directly on the Kashipur-Jaspur main road — a high-traffic inter-city highway that sees a constant stream of commuters, travellers, truckers, and tourists round the clock. Attraction points being KFC & Haldirams.

MODERN INFRASTRUCTURE

Wide cobblestone walkways, a central fountain with landscaped greens, structured parking, and premium retail frontage — Walk Way isn't just functional, it's a statement. The kind of infrastructure that attracts serious national brands.

NATIONAL BRAND READY

The scale, design, and location of Walk Way make it ready for national and regional retail chains — clothing, F&B, services, and lifestyle. Your unit sits in the same complex as anchor tenants that draw their own crowd from across the highway.
